CALL FOR 10-10 DIRECTOR CANDIDATES 1991

K4CIH
Tom Henderson
4901 15th Place East
Tuscaloosa, Alabama 35404

1992 will be an election year for five (5) members of the Board of Directors. These members had been elected to serve a two year term, January 1991- January 1993. The election term will be for four (4) years.

Nomination for these five positions will be entertained by the nominating Committee and selections for the ballot will be made by majority vote of the Committee. Maximum amount of nominations selected will be three for each office.

All applications for nomination are to be mailed to K4CIH (address above). The application will include a short bio and a letter of intent. All incumbents wishing to run again, will also submit their wishes via the same format.

All applications must be received prior to November 1, 1991.

Anyone not selected by the Committee and wishing to run, may do so following the procedure outlined in article IX, section 4 of the bylaws.

No member may qualify for nomination unless they have been a full member for at least two years prior to nomination. You must also be a full member at the time of election and throughout the term of office.

Thank you

Tom Henderson, K4CIH
Chairman, Nominating Committee

PRESIDENT'S MESSAGE de W6IIRT

This is the last issue of the 10-10 News for 1991. Lots of 10-10 activities have taken place during this year. We have ; new members, new chapters, new awards, new AWARDS GUIDE and some new managers. We have also had some joys, sorrows, agreements, disagreements, meetings and entirely too many Silent Keys.

SILENT KEY

On September 14th our friend became a silent key. Jim Michaels, W6PGM, 10-10 # 10 suffered an aneurysm within his heart. Jim has served 10-10, for many many years in a number of capacities. Currently, he was serving as Director and Historian. Also, Jim was serving on the Operations Committee with Director Peggy Pinnell, G4MAE. Jim always had 10-10s best interest at heart. He will be sorely missed.

Received a call from Margaret Anderson, XYL of Andy N5CUQ, 10-10 # 40. Andy has been in the hospital since June 18th. I'm sure that all of us wish him a speedy recovery. Andy was our 1000 bar Manager for a number of years.

SCHOLORSHIP

The Foundation for Amateur Radio has awarded the two 10-10 International Net Scholorships. The 1991 recipients of our \$750.00 scholorship were: Jason Lovett, N1EJD of Kennebunk, ME., And Daniel Lawry, KA1PNE of Claremont NH.

1. Jason was one of last years QCWA winners. He has completed one year at the University of Maine where he is pursuing a course in civil engineering. He was recommended by Kenneth Walker, W1FAB, 10-10 # 28153.

2. Daniel has completed two years as an honor student at Clarkson University where he is studying Electrical Engineering. He was recommended by Joseph Tardiff, KA1QCG, 10-10 # 53395.

Berniece, N9CDO requested we find a new 9th District Manager. Berniece has been District Manager since Nov., 1982 and feels that is long enough. Thanks very much for your years of dedicated work for 10-10. Jim Williams, N9HHU accepted the post. See Bio write up, on page 27. Address is listed on page 31. Welcome aboard Jim!

We have a new WORKED ALL CONTINENTS award Manager, Mark Murphy, KC4HIT has accepted the post from Chuck, W6YIJ. See page 30 for his address. Chuck needs time for other 10-10 projects which are in the works. Thanks to both of you.

The 10-10 COUNTIES Award seems to have really caught on. I hear lots of exchanges on the air asking for the county. Alice, NR4R must be getting lots of mail these days.

In the Spring 91, issue of the 10-10 New's I mentioned that we were considering a Worked all US state Capitols award and a Worked all Country Capitol award. As of now I have not had any volunteers to serve as official 10-10 Award Manager.

While on the subject of Awards. What can we do that's surely different? Well, someone suggested that we institute awards called WORKED ALL ZIP CODES and WORKED ALL AREA CODES. Does anyone want to handle this? Hi Hi.

AWARDS GUIDE

I received a preliminary copy of the Awards Guide which is handled by Jack Ford, KB7DUX. It looks good. It is destined to be a best seller. All the 10-10 information as well as chapter info seems to be there and in a format which makes it easy to use and update.

ELECTION

Tom, K4CIH and his nominating committee are working hard at getting the very best of candidates to run in next years 10-10 election.

BELIZE OPERATION

As mentioned in the last issue, I am going with several Southern Calif. DXers. We had a couple of planning meetings, and I'll tell you I'm excited, These guys actually expect to WIN the CQ Worldwide contest. I signed on thinking it would be fun because I've never done this before. Now it looks like I will be working hard during my time on. We will be operating as a single transmitter, Multi Operator station. So when I'm off duty and they are not on 10 meters, I will be on with my call V31RV to exchange numbers and give a new country to any that need Belize. I am taking along my Unidyne 2600 and a 10 meter antenna. When using V31RV I will NOT be in the contest. Our Call for the DX contest is V31X.

VK ZL MEMBERSHIP

Last issue I reported there were less than 1000 paid up members. Well I was right. Except I was so far off it was absolutely wrong. The mailing house gave me a total gross number. The correct number of paid up ZL and VK members are 90 VK and 32 ZL as of the records April 1991. The total of all paid up DX is 1,015 as of June.

DUES

Remember, dues will go up effective January 1, 1992 New or renewal membership US will be \$7.00 per year, DX will be \$9.00 per year. Life membership US will be \$175.00, DX Life \$225.00. US Senior Life \$60.00, DX Senior Life \$75.00.

NEXT CONVENTION

Those Chapters considering sponsoring the next (1993) 10-10 convention please contact either Don, K0JPW or Jack, W9WYN or me. Please do not just think about it. Jump in and find out what it takes.

10-10 NET

Sherm, K6PTF our International Net Manager has notified me of two new alternate net control stations. In addition to our Monday net by Dusty, K6MPN on 28.380, we now have Gene, W6JGS of Running Springs, CA. Running the net on Wednesday. Also, on Friday Dan, WV4Y of Largo, FL will be a net control station. That takes care of Mon., Wed. And Fri. How about Tue., Thurs. and Saturday Net control for 28.380 KHz? Contact, Sherm Sherman at 179 N. Sunkist Ave., West Covina, CA 91790 to find out what it entails.

Remember, all new and old members are encouraged to check into our daily net on either 28.800 or 28.380 (never on Sunday).

POST BOARD MEETING

I don't know how these things start. A rumor is going around that the Board of Directors and Officers boozed it up (alcohol) at Arlington at the expense of 10-10. I again repeat that the only expenses that 10-10 paid was 2 nights lodging, transportation and a cold cuts luncheon with cola, coffee tea and water during the Board meeting. The hotel assigned me a two room suite which had a small room attached. The charge for my room was exactly the same as the other rooms. My room was open for anyone to come in and have a snack. Two evenings in a row it was crowded with members (THERE WAS NO BOOZE). The small room was for the smokers to meet and BS and the large bed room was for the rest of us to meet and BS. I purchased an assortment of soft drinks, chips and pretzels. I paid about \$70.00 for all of the drink and snacks. This was out of pocket and was not charged to 10-10.

HAVE A NICE
THANKSGIVING.

STAY WELL
LOTS OF DX

The response was overwhelming for both the 10-10 Inquiry and list of computer software. Unfortunately, the files I received containing 10-10 database as of June had errors, I could only supply files as of March. Hopefully September's files will be better, available late October. While I received many requests for the list of 10-10 software, I received very few responses from those have software to sell or share. Especially for Commodore's. If you wish to be included on this list send a short description, NO MORE THAN 100 WORDS, describing what it is and for what machine, also if its FREE or for a FEE.

OFFICIAL MINUTES, 10-10 BOARD of DIRECTORS MEETING 1991 ARLINGTON, TX.

The Board of Directors convened at 9 AM, June 8, 1991, in Arlington, Texas in a closed meeting. A moment of silence was observed to remember our Silent Keys.

All officers and directors were present with the exception of Don Weaver, K0JPW, due to an eyesight condition. Officers attending were President Norm Lefcourt, W6IRT; Vice President Hugh Sullivan, WA4QZU; Secretary Marge Smothers, WA6ZPK; and Treasurer Gerry Gross, WA6POZ. Directors attending were Peggy Pinnell, G4MAE; Elaine Nickoloff, N8CBE; Linda Barnes, KJ4FM; Gary Ward, KD7UZ; Jim Michaels, W6PGM; Dave Prichard, KA5OVO; Pete Matson, KCLCP; Jack Miller, W9WYN, and Marv Hagan, WB2SJQ.

The minutes of October 20, 1990, were approved.

Hugh had nothing to report as Vice President. As Chapter Coordinator he reported there are 149 affiliated chapters.

Gerry discussed the four pages of his Financial Report.

Elaine reported there are 87 VK, 30 VE, and 30-40 ZL paid up members. She reported that Judy Long, WD0DHH, had resigned as Ø land area manager for CO, KS, MO, and NE. Norm recommended that Debbie Peterson be okayed to take the entire Ø district.

Peggy made a motion, seconded by Pete, that we accept Tom Henderson, K4CIH, as the Head of the Nominating Committee to receive nominations for the upcoming election. Unanimously approved.

Jack discussed the need for liability insurance for 10-10 to cover any possible lawsuits arising. He moved, seconded by Marv, and unanimously approved, that "An Ad-Hoc Committee be appointed to study liability insurance needs to cover all activities against any possible lawsuits for personal injury and advertising injury, including libel, slander, and defamation of character, suit for liability resulting from food or beverage served at club banquets or hospitality occasions." The Finance Committee is to check on this.

Jack presented a plan for a General Manager. The general increase in membership and resulting delay in service to the membership due to the many hands through which information must now pass, it is in our best interest to develop a more businesslike method of operation. It was moved by Jack, seconded by Gary and unanimously passed that "An Ad-Hoc Committee be appointed to study the feasibility of adopting a General Manager type operation plan to better serve the membership. They shall also enumerate duties, responsibilities of said manager, and prepare a report for the 1992 Board meeting." The committee consists of Elaine, Dave, Linda, Pete, and Gerry.

The resolution regarding the Directors' Net was withdrawn.

A proposal was received from W6YLJ, Chuck Imsande, with regard to a DX Membership Sponsor Program. It was referred to the Operations Committee.

Discussion was held regarding considerable delay in the distribution of 10-10 information. It was moved by Jack, seconded by Marv, and unanimously approved that an official bulletin program be introduced. Bulletins shall be mailed to each officer, director, district manager, and the 10-10 International Net Manager for on-the-air announcements, plus regular publication in the 10-10 News.

Resolutions were presented to amend the bylaws as follows.

ARTICLE III: MEMBERSHIP

The following motions on this Article were made by Jack, seconded by Marv, and unanimously approved:

Section 1. Add a sentence "However, no individual member shall be issued more than one 10-10 number."

Section 2. The word "five" was deleted from the sentence. A new Section "(f) Club Station" is to be added.

Section 3. (f) Club Station.

1. Effective June 8, 1991, Club Stations with a unique government issued call may apply for membership subject to the restrictions in 3 and 4 of this section.
2. Club Stations authorized for membership prior to June 8, 1991 may continue their membership subject to the restrictions in 3 and 4 of this section.
3. Club Stations will not be entitled to vote.
4. Club Stations will not be eligible for Family or Life Memberships.

ARTICLE V: GOVERNMENT

The following motions on this Article were made by Gerry, seconded by Elaine, and unanimously approved:

Section 2. Remove the word "and", insert a comma after Treasurer, delete the "/" and add "and a" before Corporate Secretary.

Section 3. Delete the "/Corporate Secretary" and insert "the immediate past President ex-officio, of 10-10 for 2 years after he is succeeded".

Add a new Section 4. "The Corporate Secretary shall reside in the State of California." The California Corporation law requires that the Corporate Secretary reside in the state for purposes of process of service. Norm agreed to serve in this capacity.

The present Section 4 in Article V now becomes Section 5.

ARTICLE VI: BOARD OF DIRECTORS

A motion by Peggy, seconded by Marge, and approved with the exception of Pete, amended Article VI to add a new Section 7. "In the event of a vacancy on the Board of Directors, that vacancy shall remain until the next election. The five regular Directors will be elected and the vacancy(ies) filled by the next candidate(s) with the highest votes for the unexpired term(s)."

ARTICLE VIII: OFFICERS' DUTIES

The following motions on this Article were made by Dave, seconded by Marv and unanimously approved:

Section 4. Delete "/Corporate Secretary". Delete the last sentence.

Add a new Section 5. "The Corporate Secretary shall be responsible for maintaining the Corporate status of 10-10. The Corporate Secretary will not be a member of the Board of Directors."

The present Section 5 in Article 8 now becomes Section 6.

ARTICLE IX: ELECTION PROCEDURE

A motion by Marv, and seconded by Dave unanimously approved adding a new Section 10.

"Section 10. The President, with the approval of the Board of Directors, shall appoint the Corporate Secretary."

ARTICLE XIII: EFFECTIVE DATE

It was moved by Jack, seconded by Dave and unanimously approved to change this article to read "These revised bylaws were adopted by the Board of Directors in session on June 8, 1991, and shall become effective immediately."

A petition submitted by KB7ON was discussed. SUBJECT: To change the bylaws to include a provision for removal of 10-10 officials from office. It was moved by Jim and seconded by Dave that this be referred to the Planning Committee. Unanimously approved. The Committee will report back.

Linda discussed the following recommendations for an Awards Guide.

1. The guide should be an AWARDS guide rather than a certificate guide.
2. The format should be changed to 8½x11 and contain the same information that was in the previous guide, along with all 10-10 awards including their requirements.
3. Payment should be in the form of check or money order payable to 10-10.
4. All 10-10 officers and directors with their names and addresses should be listed in the guide. Telephone numbers are optional.
5. 10-10 should put up the dollars to get the guide off the ground, and should also provide costs for a first-time notification to all CM's and/or CH's requesting the latest information concerning their chapter.
6. All chapters should be listed alphabetically.
7. Updates will be mailed out for reception during the first week of each month.
8. List clearly somewhere at the beginning that each chapter has the right to establish their own requirements and rules, and that 10-10 is in no way responsible for the accuracy of the information printed, or the timeliness of the chapter's response.
9. The guide should not be used as a forum to air the gripes of the publisher.
10. Jack Ford, KB7DUX, should be awarded the right to publish the first truly official 10-10 Awards Guide.

The following motion by Pete, seconded by Gerry, was passed with Jim and Gary opposing. "That the 10-10 Awards Guide be instituted as an official publication of 10-10 with KB7DUX being the editor and following the recommendations set forth by the Communications Committee and discussed here at this meeting."

A petition submitted by KB7ON regarding amending Article 7 regarding Club Stations is redundant as it has already been resolved.

It was voted unanimously to increase the dues as follows, effective January 1, 1992.

New and Renewal Memberships	\$ 7.00	DX	\$ 9.00
Life Memberships	175.00	DX	225.00
Senior Memberships	60.00	DX	75.00

The 1992 Board of Directors meeting will be held in Seattle, Washington, date to be determined.

The Air Capital Chapter has offered to host the 1993 10-10 convention in Wichita, KS.

The meeting was adjourned at 2:55 PM.

TenX DX News

Mike Davidson KC5CP

Here in N. America we have just entered our Fall season and the Europeans are all over the band with their WAE contest. It is great to hear them back after the summer doldrums. The Sun continues to produce flares & storms that cause problems for signals on Ten but conditions are improving. During the Summer QSO Party the band sounded almost dead, but I scraped out a little over 300 contacts, averaging a station every 6 minutes, which equates to a boring weekend. However, I predict the next six months will have improving Winter conditions for N. America. Solar flux levels will average 20 points less than last year. We still have several years of DX remaining in the band, so look forward to working a lot more DX.

Thanks to all the stations that sent me info that was used here, especially photos. I get a lot of my info from working members on the air, from DX bulletins and the DX Packet Cluster here in Houston. Packet radio is excellent for DX info since the cluster links in many listening stations into a central location where a computer saves the data for retrieval. I made an analysis of the first half of 91 of TenX stations. This data was presented at the Convention and showed 105 TenX countries reported up to June. These stations will be active this fall and I expect to see that many before year end. Just think, DXCC TenX in 6 months!

After twelve years of chasing DX, I finally made the ARRL Mixed Honor Roll. Last March I sent in a batch of cards to bring my total to 316. Since then the DXCC has added two new countries, Penguin Isl, effective for DXCC as of Sept 1st and North Korea effective after the first accredited operation. The DXCC Country count is now 323. Hope you worked ZS9A/1 Ian or DK9KX/ZS1 Hans on Penguin for a new one in July 1990, the other group ZS9Z/1 in Dec 90 did not have a TenX member but both are valid for the ARRL DXCC. Penguin is located 1 mile off the coast of Namibia, Africa.

FEATURE DX STATION SEPT. 1991

UG6JJ is Serge Mnatsakanyan in Armenia. We first met in Ten Meter Contest on CW and have since swapped QSL cards for SSB contacts. Serge has written me twice and included a photo by IK6DPW of Serge but sorry it was too dark. Serge is the only TenX in Armenia and the first TenX DX station to have 3 TenX membership certificates. He kept telling K8DHK about his cert being lost in the mail. Carol kept sending more to him but they were being held by someone in the mail system until all 3 arrived in Feb 91! I wonder how many people read his cert before he got it in the mail? Serge likes to collect TenX certificates/awards and has used a special callsign UG1700JJ

earlier this year. His son Alex UG6GK is not a member. Please use at least 1 green stamp for postage when you QSL to: 9A/33, 2 Norki Massiv; Yerevan, Armenia; 375062 USSR. Check 28480 at 13-1400Z.

CX9DH is Fernando Toscano in Uruguay. We only have 27 members in Uruguay and Fernando has been a member for 7 years most of which he was running QRP 10 watts. He now has an amp and runs 80 watts to his 4 element yagi. During his years of running QRP he worked 262 countries on ten and now has 283 with the amp. He likes to op on 28500-535 at 0Z. He is 50 years old and lives in Montevideo the capital. In August he worked many Europeans which is his Spring season and days of 68 degrees. Fernando told me it cost him \$26 to convert his currency into the \$6 membership fee to pay his dues. He said this is to expensive for him and the news is always late, so he stopped paying his dues two years ago. He still chases the numbers but has stopped certificates.

KA8FTP/HZ was Ron our Desert Storm vet in Saudi Arabia. Last time I told you about Ron running his 25 watt rig from Saudi having the OK from his people to operate. I called the DXCC desk at the ARRL and talked with Don Search about Ron and the possibility of DXCC credit. Don told me that only HZ callsigns count for credit and that Ron op from HZ would NOT count. If Ron had operated from Iraq then it would counts as 4U under the UN forces. Don has received cards for credit from UN stations in Iraq. PA3EQU/HZ was in Saudi but his cards will not count as well.

UM8M/W4WMQ is Murphy, president of INDEXA, was with non-mem KC4UG, Ken, in two Soviet areas for ten days just before the coup. The Soviet hams were great hosts to both and they had pileups of BY's & BV's that was fantastic. QSL to callbook with SASE to Murphy.

4U1ITU the UN Geneva Switzerland will be op by 3 Italian TenX hams in Sept. ITU has one of those easy to remember 11111 numbers. QSL to I1HAG to the callbook.

4U1UN the UN NY has a new QSL manager via Jim Tullis, 7226 Huntington Dr., Hudson, OH 44236.

TT8SA (ex TR8SA) is Christian who will be in Chad for a 1 year tour in September. Christian will be much sought after as Chad is rare, I dont have it on TenX yet. The authorization letter for Christian made a statement that amateur radio in Chad is now legal effective July 1991. Sounds like another positive step for ham radio. QSL route is unknown so listen to what he says.

K4CXY/6Y5 operated from Jamaica in Aug. QSL N4BSN. H44AP is Al Pearce, POBox 11, Honiara, Solomon Isl. S21NQ is Erik, WZ6C, in Bangladesh. QSL to W4FRU.

C56/DL8OH is Dieter Schuster who is alive and well despite the silent key listing in the call book. If you worked Dieter in the Gambia, QSL him at Kleiberstr 17, 850 Erlanger, Germany.

AA5AU Don and **G0AZT** Eddie will be in Antigua and Montserrat in Sep-Oct. QSL Eddie Schneider, Box 5194, Richmond, CA 94805; Don Hill, Box 625, Belle Chase, LA 70037.

KE6XJ is Les who expects to op from Tonga as A35XJ in Sept or Oct. Les likes CW but may be on SSB on all bands usually 25kc up from band edge. QSL to Les Nuhn, POBox 44, Bonita, CA 92002. SASE.

PY0SK & PY0SR by several Brazil ops put on a 9 day DX Pediton to St.Peter & Paul Rocks in May making over 20000 contacts. You needed to work Karl PS7KM who is the QSL manager. Karl recently told me that it now costs about 1.50 US to Airmail return postage for a QSL. Cards with insufficient postage or less will be returned by the bureau. QSL Karl Leite, Box 385, 59000 Natal, RN, Brazil.

VS6CT/KP2 is Phil in the American Virgin Isl. Phil's QSL manager is **KA6V**. Phil was recently going on a DX Pediton to Desecheo Isl but did not make the trip. **KP2A/KP5** was the call used on Desecheo by several ops but **VP5JM** was the only one with a TenX. QSL via WA2NHA.

F6EEM (CN8VV) is Silvio along with his wife operated during the European DX CW contest in Aug. Silvio has given me several new TenX countries and I hope his wife F6FYP gets her TenX number soon. They go to locations that many need and always attract a pileup. Silvio is the QSL manager for several French stations. QSL callbook address.

V85OO is N2OO Bob Schenck, Box 345, Tuckerton, NJ 08087. Bob just married KF2BQ Beth and went to Bruni, Hong Kong & Singapore for their honeymoon during Aug. Beth is non-mem and likes to op SSB during their trip. I worked Bob on 20CW and found out that they had no antenna for Ten! Bob don't forget you promised me a photo.

5B4MF is Spyros in Cyprus was in college when I worked him a year ago so be patient on the QSL. Spyros Stavrinides, Box 9129, Nicosia Cyprus.

KA3DBN is John Rouse on a month long African tour. Include an SASE to 2703 Bartlett Ln, Bowie, MD 20895.

V51JM is N2HZE Bill Musoke in Namibia the old ZS3 prefix. Bill lived in NY where he joined TenX and now lives in the capital of Namibia running 80 watts to a 4 el beam. He complains about bad/poor conditions and will go QRT when sigs get weak. Bill's QSL mgr is NK2T Hayden Hadel, POBox 22, Levittown, NY 11756. If you cross check his TenX don't let the stateside call fool you, all is OK.

JH0BBE was heard on Long Path Aug 18 at 1345 on 28498. Yu was on Ogasawara last year and QSL to Yuji Yamamoto, 977 Imaizumi, Hirokami, Kitauonnuma, Niigata 946 Japan.

3D2XV Bing is back in Rotuma again. He was on 28503 at 0200Z and we talked about his low cost to stay in Rotuma. Bing really chewed out someone that was tuning up on top of my signal. QSL Bing to VK2BCH his home callsign in callbook.

ZL3AZ Dave in Christchurch New Zealand is using a TS940 into a Triband beam at 42ft. Dave told me he QSL's 100% and has had his TenX 9 yrs. He will be 55 at Christmas and has been only on 10 meters working lots of US hams. He had so much

DX he had to have his Tea brought to him so he could stay on the radio, hi. QSL to Dave Rayner, 23 Waitohi St, Christchurch, 8004 New Zealand.

WP4IPL Garland near San Juan Puerto Rico on 28460 at 1445Z has been a ham 2 yrs, operates his TS940 into a 4 el tribander. Garland said that first class mail takes 3 days but the News takes a month to get to him. QSL Garland to callbook.

UA0FDX Victor sent me his photo and a QSL card. He uses a 5 el yagi & 200 watts out. He is very active after 2300Z SSB & CW. His address is Victor Komzuk, POBox 55, Uglegorsk, Sakhalin Isl, 694900 USSR.

ZL2BDF sent his photo and QSL but sorry Harry it is too dark. He runs 100 watts to a 2 el yagi on 28495 at 0200Z. QSL Harry Garratt, 172 Knights Road, Lower Hutt, New Zealand.

VK3PJB sent his photo via way of K5MRU. Peter was a member of the Power Valley Chapter and has tried to keep the chapter active but no luck. He finds no interest from hams in his town of 21000 which is located 200 Km from Melbourne. Running 30 watts to his 9 el Log Periodic up 30 ft. Look for him in China BY soon. He loves to collect QSL's and to get awards like WAS and asks you QSL the bureau or direct to Peter Broughan, Box 639, Travalgon 3844 Australia.

NL7WA John operates the Coast Guard Club Stn **KL7HKX** with a new number on Kodiak Isl. The QSL manager is **KL7AF** Tony Smaker, Box 1614, Kodiak, AK 99615. Look for them on 28350-390 after 0Z.

PY4VD Victor sent me a note saying he had heart surgery during the Summer QSO Party. He is now doing fine and will soon restart TenX activities. V. Diniz, POBox 16, Varginha - MG, 37100 Brazil. Good luck Victor on your recovery.

USSR QSL for UP, UQ, & UR stations DO NOT go to Box 88 Moscow, the USSR central QSL bureau. Now that Lithuania LY, Latvia YL, & Estonia ES have voiced their independence you should get the QSL route and send it direct. You may be asking how can these countries be using these prefixes? The old timers know these prefixes belonged to these countries many years ago, they are only new to new hams. Check the ITU Callsign Prefixes in your logbook and you will see many differences. Start asking these stations for TenX as several are now members.

NEW MEMBERS: (I need info on these stations.)

ES2WX Toomas Kull new member, Box 13, 203006 Viimsi, Estonia. **OX3LE** Leif Larson, POBox 1069, DK - 3900 Nuuk, Greenland. **A92EV** M. Livingston our second member from Bahrain, POBox 833, Bahrain. **UO4OR** Valery Torspin, POBox 174, Tiraspou-9, Moldavia 278000 USSR. **UF6VM** Vlad Mazakin, YL. Vokzalnaya 70A, Dranda, Abkhazia Georgia 384965 USSR. **UM8QDX** N.A. Dzhunushev, POBox 1 Kadzhisai, Kizghiz 722452 USSR. **LY2BRB** Raimundas Pleckaitis POBox 5, Vilkavishkis 234270 Lithuania.

BEACONS: Z21ANB in Zimbabwe 28250 is active.

EA3JA on 28248.7 in Barsalona, Spain.
VK2RSY on 28261.5 & **VK7VF** on 28268.8 in Aust.

Thanks for the letters and DX Info from Bob Winn W5KNE QRZ-DX Bulletin and Long Isl DX Bulletin. Send photos to Mike Davidson, 3518 Bellefontaine, Houston, TX 77025.

CHAPTER COORDINATORS COLUMN.....
by Hugh WA4QZU

FAREWELL AND HAIL... Jim, W4YHF, the originator of the "10-X Certificate Guide" has decided to stop the presses. The Guide, now funded and managed by 10-10 International, will be produced by Jack Ford, KB7DUX, 644 Lake St., Salt Lake City UT 84102. The cost of the Guide will be \$6 US \$8 DX. Updates will cost \$10 US \$12 DX per year. Jack has demonstrated that he will be a capable successor. Chapter affiliations and net changes must still be approved by the Chapter Coordinator before they are official; once approved, they should be reported to Jack. Certificate changes need not be approved but should be reported to both for publication.... Jim was one of the co-founders of the 28.825 Backscatter net, the second 10-10 Director from outside CA and the #1 paperchaser when he was more active. Few, if any, have contributed more to 10-10 than Jim, a 10-10 legend.

AFFILIATED... Eagle Watch of Marshall County, Evergreen Playground, Peach State Int., Platte River 10-10ers

REAFFILIATED ON PROBATION... Beaver Valley, Senator Dirksen

NO LONGER AFFILIATED... Dallas Cowboys - last QR 6 May 90

IN EXTREMIS... Blackhawk Valley*, Brooklyn Bridge, City of Lights, Diamond State, Golden Bear, Mohawk Valley*, Phoenix Valley, Prince of Pork, Houston SHOT, Tango*, Ten Bar X and TX Longhorn - must report before 5 Dec or lose affiliation - *previously lost affiliation for failure to abide by the rules of 10-10.

RUMORS... the rumor that the 10-10 Board Meeting agenda at Arlington included a bar was obviously

started by someone who had apparently been at the bar too long already or had his truth organ surgically removed. If one wants to report on future 10-10 Board meetings, one should at least find the correct Board room.

MY POINT OF VIEW... A number of Chapters are going beyond merely offering a certificate by participating, as a Chapter, in Field Days, manning hiway refreshment stands on holidays, operating on high frequencies, operating W1AW, manning booth displays at hamfests, etc. Paperchasing is still the most visible activity in 10-10 (we log more air time than the USAF), but the desire and ability of some Chapters to progress further speaks well for the future of our organization and for the 10 meter band.

POT POURRI... Please send SK reports to Grace, K5MRU. In checking the QRs for changes of name, add, net, date, cert reqs, etc., I frequently miss them... I've heard that 3 TX stations have made 28.325 a porn freq abt 0100z each night. 10-10 is not a policing body but individuals with proof should report them to the FCC or an OO... Cowtown wants Ls from '77-'78 to check in for Call verification, etc., good idea for Ls and CLs of all Chapters...

FREQUENCIES... GENERALLY SPEAKING, frequencies can not be reserved on amateur radio; they temporarily "belong" to the first person operating there. Although I assign every 10-10 Chapter a net time and frequency, that assignment does not grant usurpation rights (Exception - another 10-10 net extending into your scheduled time). If "your frequency" is occupied at net time, politely discuss the situation and, if you have to move a few hertz because the occupier chooses to remain where he is, DO IT - don't lose

10-10 any more friends. Macho points are not awarded for duking it out. In case you missed it, the operative words in this paragraph are "politely", "move" and "friends".

ONCE MORE - AGAIN... To answer the question asked by several people, Citrus Belt Inc. IS NOT an affiliated 10-10 Chapter; they have not applied for affiliation.

WHAT'S NEW.....

AFTERSHOCK (WA6MVD) - In memory of N6DOW, cts with WA6MVD will receive 2 tremor points, cts must be 24 hrs apart - CM is having problems with database and requests upgraders send in what bar they have and pt value

10-10 INTERNATIONAL NET QSO PARTIES

CONTEST MANAGER: HARRY SYRING, WB1FTQ, #23934
37 Bradford Dr. Windsor, CT 06095

10-10 QSO Parties are open to all amateurs, but only paid-up members are eligible for awards and chapter assignment of scores. They are conducted to encourage 10 meter operation and interest in the Net. Non-members may use numbers collected to qualify for membership; members may use them for awards.

RULES:

1. PHONE. Contacts must be in the Ten meter Phone band, on SSB, AM, or FM.
CW. Contacts must be in the Ten meter band on CW or RTTY.
2. Exchange: Callsign, name, state, and 10-10 number.
3. A station may be counted only once.
4. Single operator stations only are acceptable.
5. All contacts must take place within the 48 hour contest period.
6. Logs must be kept in Universal Coordinated Time.
7. A DUPE SHEET IS REQUIRED OF ALL PARTICIPANTS. Computer duping is OK. SASE to me for dupe sheet sample.
8. Chapter assignment of scores may be made only by a paid-up member belonging to that chapter as a local member and able to work its Net via groundwave from the contest station.
9. Illegible or improperly submitted logs will be rejected. See below for log requirements.
10. Failure to comply with these rules or their intent may result in disqualification.
11. SCORING: Two points per contact WITH a 10-10 number exchange; One point per contact WITHOUT a 10-10 number exchange.

AWARDS: First Place certificate to each U.S. Call Area (Area 7 includes KL7); also Canada, South America, Central America, Caribbean (incl. Bermuda), Europe, Africa, Asia, and the Pacific (incl. Australia, New Zealand, KH6, and all Pacific islands). Also top ten finishers in the contest overall will receive a certificate. Paid-up individual and chapter scores are listed in the NEWS.

LOGS: Logs are accepted from 10-10 members only, and must be complete, legible, and in UTC. Each line entry must show Callsign, time, state, name, and 10-10 number, if any. A cover sheet is required showing your name, callsign, QTH, 10-10 number, membership expiration date, chapter assignment, if any, total contacts and total points. A cover sheet may be found on the back cover of the NEWS. A DUPE SHEET MUST ACCOMPANY ALL LOGS.

SCHOLARSHIPS

10-10 is proud to sponsor two \$750.00 Scholarships each year to two deserving 10-10 amateurs. Applicants must hold at least an FCC Novice Class or equivalent foreign authorization. There is no restriction on the course of study, but applicant must intend to seek at least an Associates degree. There is no residence area preference; however the applicant must intend to seek a degree from an institution of higher learning in the United States. Applicant must be recommended by a current active member of 10-10.

Although 10-10 guarantees the funding of these two Scholarships, members are **encouraged** to make donations direct to The 10-10 Scholarship Fund by sending checks to the 10-10 Treasurer made out to "The 10-10 Scholarship Fund." Scholarship donations should not be sent to your District Manager.

Additional information and an application form can be requested either by letter or QSL card from:

N2JEU BBS Changes -

The N2JEU dial-up BBS has closed temporarily to permit major changes to the BBS hardware and software. Until it's back on-line use the OCC Micro Support BBS at (315) 492-6672. The system is located at an area College (I work there) and is available 24 hours a day, 7 days a week.

A new Ten-Ten Conference is available on two bulletin board systems. The Amateur Radio CBBS run by Howard Evans at (916) 366-5531 in Rancho Cordova, CA and the above mentioned OCC Micro Support BBS in Syracuse, NY both carry the Conference with additional systems invited to join in. The conference is available to any FIDONET type BBS wanting it. Check with Howard or I for details on getting the Conference on your own local bulletin board system.

A help sheet detailing how to access the OCC Micro Support and the N2JEU BBS systems is available for a self addressed STAMPED envelope sent to the EDITOR of the News. The address is inside the front cover of this issue.

To access a bulletin board system you'll need a personal computer, a dial-up telephone line type modem, and terminal software for your particular computer. Set the terminal software for no parity, 8 data bits and one stop bit. Speeds accepted for either system are 300, 1200, 2400 baud. In addition, the OCC Micro Support BBS accepts call at speeds up to 9600 baud.

We Keep Growing....

....and Another Milestone

A count of Records Manager Lee Pasewalk, WB6MGM, monthly reports indicate that 10-10 continues to grow. A total of 1645 new members joined 10-10 during the first six months of 1991. This compares to 1597 new members during the first six months of 1990.

The largest growth was in the 6th District with 223 new members, with the 4th District close behind with 218 new members. Third place went to the DX group with 172 new members, indicating the interest in 10-10 in the DX countries.

In addition to processing new member applications, our hard working Area Managers also processed 902 changes in membership status. These were for call changes, address changes, etc. A lot of paper work requires processing for each new member, for each call change and for each change of address. A grand total of 2711 records were processed during the first six months which included 164 members noted as Silent Keys. And this grand total of 2711 records does not include the number of members re-newing their dues each month. All of this adds up to a whale of a lot of work that the Area Managers, Records Manager and the Treasurer do to keep 10-10 running smoothly. Many hours of volunteer time is spent each month just to keep our records current.

And for that new milestone, we passed the 60000 number in August. 10-10 number 60001 was issued to KB5JQJ. 10-10 keeps on growing, with more new awards and activities being added to keep interest and activity on 10 meters at an all-time high.

For those of you who are interested in the highest number issued, here it is: The highest number issued through the month of August 1991 was 60505 and it was issued to KA3YWW.

10-10's Scholarship Winners

Each year 10-10 sponsors 2 \$750.00 Scholarship Awards, and the 1991 Award Winners have just been announced. They are Daniel C.

Lawrey, KA1PNE of Claremont, NH, and Jason G. Lovett, N1EJD of Kennebunk, ME.

Daniel has completed two years as an Honor student at Clarkson University where is studying Electrical Engineering. He has held several radio club offices, participates as a Volunteer Examiner and indicates a variety of outside activities. He was recommended by 10-10 member Joseph Tardiff, KA1WCG, 10-10 #53395.

Jason has completed one year at the University of Maine where he is pursuing a course in Civil Engineering. Besides his amateur radio activities, he shows an excellent record of community and extra-curricular involvement. He was recommended by Kenneth Walker, W1FAB, 10-10 #28153.

The 10-10 Scholarship Awards are administrated by The Foundation for Amateur Radio (FAR), who administers a total of 38 scholarship awards for a number of amateur radio clubs and individuals. The 1992 10-10 Scholarship Awards will be announced in April or May of 1992 in this column and in the 10-10 International News. Watch for the announcement and as a 10-10 member you can submit candidates for next years awards.

10-10's Scholarship Fund is forever looking for donations. How about sending a green stamp (\$1.00) or more to The 10-10 Scholarship Fund right now. Send your donation to 10-10 Scholarship Fund, c/o Gerry Gross, WA6POZ, 10-10 #21274, 643 N. 98th #142, Omaha, NE 68114. All Scholarship donations go direct to Gerry, 10-10's Treasurer, and not to your District Manager. 10-10 would like to continue our Scholarship Award program, which is under the direction of Morrie Goldman, W6EHM, 10-10 #4189, and any amount you feel you can donate will help to continue this worthy program. Send your donation today while it is fresh in your mind. 10-10 thanks you and the winners of the 1992 awards will also thank you.
